Web Announcement 1600

Attention Provider Type 20 (Physician, M.D., Osteopath, D.O.):

Claims Denied with Edit Code 0305

Claims submitted by provider type 20 (Physician, M.D., Osteopath, D.O.) may have been denied in error with edit code 0305 (Duplicate payment request, any provider, same dates of service) when provider type 12 (Outpatient, Hospital) submitted a claim for the same recipient on the same date of service. Effective May 21, 2018, these claims will no longer be denied in error.

Claims submitted by PT 20 that were processed on or after May 21, 2016, through May 20, 2018, that were denied in error with edit code 0305 will be automatically reprocessed to adjudicate correctly. Providers do not need to resubmit or appeal the denied claims. A future web announcement will notify providers when the claims are reprocessed.
